

SUMMER CAMP PARENT & LEADER GUIDE

2022

Welcome to the 2022 Camp La-No-Che Summer Camp Parent and Leader Guide. We have learned a lot from these past couple summers about camp and how important it is. We are prepared to deliver an unparalleled experience for all Scouts this upcoming summer no matter what the world may send our way.

In the coming months leading up to your summer camp stay, there will be many troop meetings, including new Scouts, new skills learned, and a build-up of excitement for summer. All of this will lead to the highlight of many of your Scouts' year – a week at summer camp with their friends making memories that will last a lifetime.

“A week of camp life is worth six months of theoretical teaching in the meeting room.”
- Lord Robert Baden-Powell

To help you get your Scouts ready for this great experience, we have put together this leader guide to help you prepare for camp, inform you of important dates, let you know what to expect while at camp, and help prepare you to get the most out of your stay with us.

Detailed information for our Programs and activities will be put out in a separate Program Guide February 15th. An overview of each program area is included in this Leader guide and can be used as a guide for Scouts to start thinking about their adventures during Summer Camp.

PROGRAMS MOVING TO 4 DAYS

Our traditional 5 day programs are going down to 4 days - Monday through Thursday. The times for each program will be the same or more than our 5 day programs, and provide campers opportunity to catch up on requirements Friday as needed.

FANTASTIC FRIDAYS!

Harking back to summers passed, Camp La-No-Che is proud to provide an unparalleled experience for all campers Friday during Summer Camp. Campers will be able to participate in experiences Friday on property or off site*. The day will be capped off with a closing campfire and cracker barrel for all campers.

With something for everyone, Fridays are going to be fantastically awesome this summer!

*off site programs are optional and will incur additional fee

Every summer, we work to recruit a skilled summer camp staff and we want your most accomplished Scouts to be a part of the La-No-Che Summer Camp staff. Encourage your best scouts to apply for a position this upcoming summer. We are accepting applications now through December 15th. If your Scouts are interested in Area Director positions, the deadline is November 15th. Applications are online this year.

We look forward to providing unparalleled experiences for your unit here at Camp La-No-Che during the Central Florida Council's Centennial year, 2022!

See you at Camp La-No-Che!

STEP 2 REGISTER ONLINE STARTING JAN 31

After you have gathered the information for step 1 and the initial deposit from Scouts attending, go to www.scoutingevent.com/083-summercamp and click on the “register” button to sign up your unit for camp. STEP 3 ACTIVATE PARENT PORTAL DURING REGISTRATION

(This step does not apply to Provisional Campers)

You will have the option of activating the “parent portal” feature during registration. This feature will allow parents to access only their Scout’s registration and do the following:

- complete event payments directly through the website -
- select their child(ren) programs and activities -
- Add pre-order items for their child(ren) such as t-shirts, etc. -

As the leader registering your unit, you will have full access to all registrants and you can choose the level of access for the parents - payments only or allow program and activity selection as well. You can also receive reports to help track who paid and who still has balances due.

STEP 4 SCOUTS AND ADULTS SIGN UP FOR PROGRAMS AND ACTIVITIES

If you activated the Parent Portal for your unit, this will be easy for you!

To register Scouts and/or Adults for Programs and Activities, you will need to go back into your registration after sign up has begun and go into each Scout’s registration to add Programs and Activities by clicking select classes and clicking on them under the schedule area.

STEP 5 TRACK PAYMENTS AND ADD SCOUTS AS THEY COMMIT

PROVISIONAL “PROVO” CAMPING

If you are unable to attend camp with your troop, a provisional troop is available. Our Provisional Troop is run as a Scout-led unit during their time here at camp. Two-deep adult leadership is provided for all Scouts participating in the Provisional Troop(s). Provisional campers have the same opportunities to enjoy all of the programs provided at Summer Camp. Scouts will register for their own programs and activities through their registration.

Frequently Asked Questions about “Provo”

Q: Do Provisional campers cost more?

A: No, Provisional Scouts attending Camp La-No-Che Summer Camp are the same price as any youth Scout: \$320.

Q: Can Scouts BSA girl members camp provisionally?

A: Yes. Camp La-No-Che offers a Provisional Troop for Boys and a Troop for Girls. The Provo Girl Troop has all-female leadership and forms their own group of youth leadership from the participating girls. The Girl and Boy Provisional Troops may do some activities together, but they have separate leadership and camping accommodations.

Q: Can I register more than one Provisional Scout in one registration?

A: Yes. However, we ask that units not register more than 4 Scouts in a single registration; Units with 5 or more attending Scouts are expected to attend under their own leadership as a Troop. We also ask that Boy Provisional and Girl Provisional Scouts register under separate registrations to facilitate campsite assignments.

Q: I’m a parent and want to attend with my Scout. Can I?

A: Parents are not encouraged to attend Provisionally with their Scout. The Provo Troop model relies heavily on the Patrol Method and the authority of the Camp Staff Troop Leaders; we have found that the addition of outside adults can have a negative impact on this model. We have also observed that homesickness rates of Provo Scouts increases significantly when one or more Scouts have a parent/guardian on site. If a parent/guardian MUST attend (for a medical) we will ask that they stay in a separate campsite to allow the Provisional Troop the necessary environment for success.

Q: It is asking me to list my Troop, but I’m coming Provisionally...why?

A: We need to know your Troop so that we can record merit badge completion and camp attendance properly. Please select your home Troop.

Q: Do I need to choose a campsite?

A: No, you do NOT need to choose a campsite when signing up a Provisional Scout; all Provo Scouts are assigned to a specific Provo Site.

Q: Do I have to purchase a Troop Photo?

A: No, you do not. All Provisional Scouts receive a copy of the Provo Troop photo for free.

UNIT LEADER RESPONSIBILITIES

During a week at summer camp, Scouts will have many different opportunities for memorable experiences. As camp staff, we will do our best to provide the best possible environment for unparalleled experiences. As a unit leader, there are things that you can do and are expected of you to make it a great week for everyone!

UNIT LEADER RESPONSIBILITIES

- > Complete the reservation and registration process for camp as noted on pages 6 and 7 through the registration website.
- > Provide guidelines for good Scouting behavior while in camp.
- > Review the Program and Activity schedule and Program Guide with your Scouts, enabling them to effectively schedule their camp experience.
- > Review each Scout's planned program to ensure that they are not reaching beyond their capabilities. This minimizes the possibility of a disappointing experience.
- > Review with your Scouts any paperwork, supplies, or clothing required for their programs. Also review any requirements not completed at camp with them so they are aware of them.
- > Monitor each Scout's daily progress and provide support as needed.
- > Stress the importance of drinking plenty of water while at camp. Let Scouts know this will help avoid heat exhaustion and missing out on activities.
- > Ensure each Scout brings a water bottle or hydration device to use during camp.
- > Ensure Scouts are following the buddy system - at least 2 Scouts traveling together. If there is a Scout of the opposite gender, there must be at least 3 Scouts together.
- > Communicate with a Program Director, or the Camp Director as soon as possible should a problem arise between a Scout and any staff member.
- > Provide feedback regarding the program and staff with the camp administration prior to the end of your summer camp experience.
- > Complete a paper Summer Camp evaluation form and hand it in prior to your departure from camp and an electronic survey after camp.
- > Verify the unit's advancements for any discrepancies and resolve them with the Area or Program Directors prior to leaving camp.

homesickness

Many Scouts are susceptible to homesickness. Youth and adult leaders need to be alert for symptoms. Keep your scouts engaged in activities of the camp and your unit. Discourage phoning home as this usually makes the problem worse.

If your families are participating in Family Night, use this as a tool to keep them from phoning home. In extreme circumstances, consider phoning home privately. You want to use the family to encourage a resolution, not make the problem worse. Staff members, the camp Commissioner, or other unit leaders are available for support and encouragement.

DISCIPLINE

For supervision to be effective, there must be discipline. It is the responsibility of unit leaders to maintain the discipline of their Scouts.

Leaders are expected to intervene in situations where campers pose a threat to themselves or others. Discipline of other campers should be deferred to the leader of the unit.

All discipline should be in line with Youth Protection Guidelines.

ADULT ACTIVITIES

Camp La-No-Che offers many opportunities and activities for adults. We understand the sacrifice every adult makes to be at camp with their Scouts and we do what we can to help make your stay enjoyable.

There are different trainings and activities available to adults throughout the week. Below is a list of our current offerings for this upcoming summer. Keep in mind, there may be changes to this list when the program guide is released in February. For the trainings, you will need to register in advance to ensure we have supplies prepared for the right number of participants.

ADULT LEADER MEETING

All Scoutmasters and Leaders are invited to the adult leader meeting in the W.T. Bland Dining Hall. This meeting will provide daily information about camp as well as provide an opportunity for input about your troop's summer camp experience at Camp La-No-Che. You are expected to have at least one leader from your unit in attendance at this meeting. Check camp schedule upon arrival for times.

INFORMATION FOR PARENTS

Your Scouts will be attending a week-long experience with other Scouts and Troops from across the country, and possibly from other parts of the world. This week will be one they are going to remember for a very long time. We have gathered some tips and advice here for you, the parents to help ensure they have a great time during the week. Please read this page carefully and be sure you are ready as well!

MONEY AND VALUABLES AT CAMP

We recommend that you send your Scout with a locking footlocker so they can secure any valuables they bring with them, or obtain while at camp. We highly recommend that your Scout bring as few valuables as possible. As for money, a good idea is to divide the week's money into multiple day envelopes and give those to the Unit Leader to secure until that day. This prevents your Scout from walking around and potentially losing their week's worth of money all at once. Camp La-No-Che is not responsible for personal property/money brought to camp.

COMMUNICATIONS

While Camp La-No-Che has some cell phone reception, it is possible that your Scout may not have cell phone communication. To stay in touch with your Scout, be sure to talk with your unit leaders before camp to find out what their protocol is for communication during camp. Some units have policies of only communicating at certain times. These policies are often in place to help prevent homesickness and allow the Scouts to be fully involved in their week at camp. Please do your best to be respectful of your unit leader's plan for communication.

MERIT BADGES AND ADVANCEMENT AT CAMP

While attending camp, each Scout will receive credit for requirements completed for merit badges. It is possible that due to weather/program changes, not all planned requirements can be accomplished during camp. There is no guarantee that a Scout will complete any merit badges while at camp. Each Scout is given the resources and assistance to work towards completing requirements. It is up to each individual Scout to properly complete the requirements offered.

CARE PACKAGES WHILE AT CAMP

There are two ways to have a care package get to your Scout during camp:

- > You can pre-order a care package from our Trading Post, ready for your Scout on their day of arrival at camp, with items they can use throughout the week and bring home to remember their summer!

SCOUTS BSA

Having females at camp is not a new thing for Camp La-No-Che, as we have always welcomed Venturing and Exploring programs at camp, which are co-ed, as well as a co-ed Summer Camp Staff. Our facilities are ahead of many camps for this, having individual stalls and showers at each bath house in our campsites.

Each site will be for either male troops or female troops, unless the units share a charter organization.

When selecting campsites, there is an area to indicate any preferences your unit might have when it comes to what units you share the site with. While we can not guarantee your preferences will be able to be accommodated, especially on our busier weeks of camp, we will do our best to make sure they are taken into consideration when final site assignments are made.

Keep in mind that the camp's use of the buddy system means that a minimum of two Scouts should travel together around camp. If this includes a Scout of the opposite gender, there must be at least three Scouts traveling together.

All programs and activities will be open to all Scouts attending camp, regardless of gender.

FAMILY NIGHT

THURSDAY NIGHT OF CAMP

Starting at 4:30p, parents can come out to camp and visit their Scout and their unit for the evening. We will have activities for those attending as well as plenty of time to let your Scout show you what they have been up to during the week. You may choose to eat dinner with your Scout in the dining hall for an additional fee of \$10.00 per person over 13, \$5 for youth 12 - 3; under 3 eat FREE! You may pre-purchase meals for family night when registering your Scout.

Each Scout is given the resources and assistance to work towards completing requirements. It is up to each individual Scout to properly complete the requirements offered.

Camp Wide Emergency Procedure

In the event there is a camp wide emergency, a constant wailing (air raid) siren will sound. If you hear this siren, please proceed to the Seneff Flag Pole, line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from the camp staff. Everyone, youth and adults must report to the Flag Pole during a camp wide emergency alarm unless instructed otherwise by the camp staff. The entire camp will have an opportunity to practice these procedures within 24 hours of your arrival.

Lightning Alarm Procedure

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware of. This plan has been developed for the use of Scouts, Scout Leaders, and Staff while camping and/or participating in activities at Camp La-No-Che. Camp La-No-Che is equipped with a lightning detection system called Thor Guard. The system senses lightning within a predetermined safety zone in Dr. Phillips Park and will sound an alert. If you are not in the Dr. Phillips Park area, please use your Hazardous weather training to determine your best course of action in case of lightning in the area.

Red Alert: You will hear one fifteen (15) second blast of the air horns.

This alarm means that lightning is close and you need to seek appropriate shelter where you should remain until given the all clear signal. Please keep your distance from windows, screen openings, and perimeter railings for your protection. Further direction may be provided by the Camp Management Staff as needed.

All Clear: You will hear three (3), five (5) second blasts of the air horn.

The area should now be considered safe and you may proceed, but still be cautious of dangerous weather, as it still may be near the camp. Medical Services, Emergencies go directly to Health Lodge. A resident Health Officer is available at all times to deal with accidents and sickness. v or she may not be a medical doctor but is qualified to administer first aid and deal with emergencies and minor sickness. The Central Florida Council does not provide sickness and accident insurance for out of council units.

Valuables Policy

The Leonard and Marjorie Williams Family Scout Reservation/Camp La-No-Che management and staff will not be responsible for individual camper or troop valuables while in camp.

Use these tips to avoid any losses while at Camp:

- Advise your Scouts to bring as few valuables as possible and encourage Scouts to use locked trunks.
- DO NOT carry large amounts of money around camp.
- The Troop Leader should bring a lock box with them.
- Never leave a Scout alone at the campsite.
- Advise your Scouts not to walk through another Unit's campsite.

Vehicle Policy

To protect our camp and all Scouters, we ask that all vehicles be parked in the main parking lot. Vehicles will be allowed to transport gear to and from campsites on Camp Days 1 and 6. Troops will be permitted to park their equipment trailer in their campsite along with one (1) vehicle per Unit. All Equipment Trailers must be disconnected from the Tow Vehicle and the Trailer's Hitch must be flagged for safety. No golf carts will be allowed in camp, unless they are pre-approved by camp management.

Uniform Policy

During the day there are no specific uniform requirements, however, all campers must wear closed-toe shoes at all times. The only exception is that flip flops, aqua socks, or sandals may be worn in the campsite when going to the shower. It is required to wear the BSA Field Uniform (Class A) for evening dinner.

Leave No Trace Policy

While at Camp La-No-Che, all Units and Scouts should abide by the principles of Leave No Trace. Please make every effort to maintain the camp's appearance. Please remember that Scouts are neat and clean.

Boy Scouts of America Smoke-Free Policy

Boy Scouts of America policy is to provide a smoke-free environment for all Scouting participants. Therefore, smoking is not allowed at La-No-Che in the presence of youth or in buildings. You may smoke only in the designated adult break area behind the Trading Post. Thank you

COMMISSIONER'S MINUTE: SERVICE

Service is part of Scouting. Every Scout must participate in service projects to advance in rank. Service also goes beyond advancement requirements. It is part of the growing process. As you move from youth to adulthood, you progress from working for what you want to working for what is good for the community as a whole.

That is why so many good people spend so much time volunteering. Think of all of the adults who helped out your troop. They give their time willingly to help you, even though they are busy. These Scouters don't complain about the commitment. They are happy to spend their precious free time helping you, not because it benefits them, but because it benefits you!!! They demonstrate cheerful service every week at your meetings.

While you are here at Camp we provide ample opportunities for cheerful service from participating in flag ceremonies, to serving your fellow Scouts in the dining hall, cleaning common areas of camp, to Commissioner Special Projects. Please take the initiative to be a "Helpful" Scout and provide cheerful service.
